## Simplifying the Manner of Crocheting with Beads

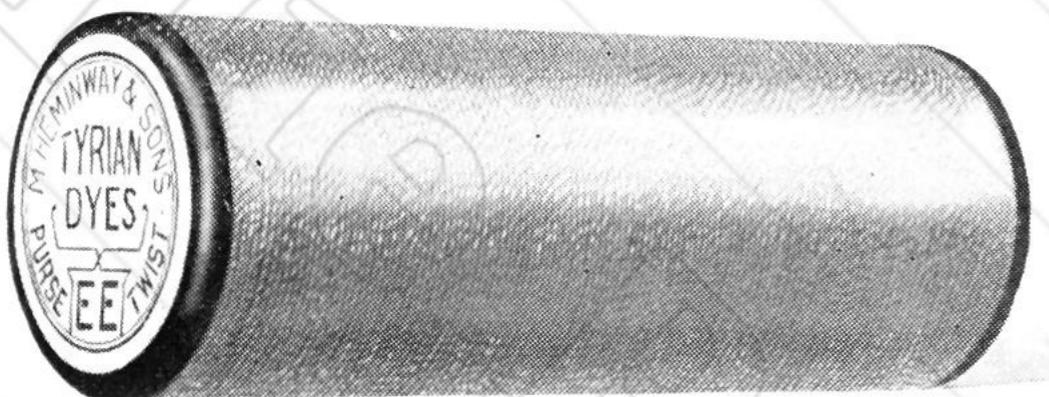

**Stringing of Beads:** Loosen 1 string of bunch of beads: if silk thread is heavy take a pair of scissors and file off until a finer thread is secured, then place silk over bead thread and make one single turn and draw cotton through loop with crochet needle. Another way is to thread fine needle with silk and draw through cotton thread, hold threads back with left hand pushing beads over on silk thread very carefully.

**Crocheting With Beads:** Thread one bunch of beads on to spool of silk. If

beads are not used in very beginning of bag, push back on unwinding silk thread until needed. Insert needle in stitch of previous row, pull loop through, push bead toward needle, silk over needle, pull through both loops on needle, needle in next st., continue around. All beaded bags are worked from the inside, this throws the beads to front or right side of bag. Some complete by taking up the back of stitch only, and still others work through the entire stitch, which makes a stronger, firmer bag.

IMPORTANT—The models for which directions are given in this book are designed with particular qualities of Heminway Silks in mind. The designs are not recommended if other threads are used, for it has been proved that they cannot be accomplished in other threads with any near degree of success. It is advisable to obtain sufficient material of each color at one time to complete any article.

Press out water and place again in very warm Ivory soap suds, pressing between hands to clean. It may be necessary to rub gently to remove deeper stains. Rinse twice in tepid or cold water; lay in folds of Turkish towel until moisture is absorbed and nearly dry. If necessary, press with medium hot iron between dry towels.

### The Belle Claire—No. 524

4 sts. in each row. **145th row**—\* sk. 1st st., 1 s. c., sk. 1 st., 2 s. c., sk. 1 st., 1 s. c., sk., 1 st., 1 s. c., \*. Break silk and sew opening at bottom of bag on wrong side. Work 1 row s. c. around top of bag.

**Handles**—There are 107 sts. in each side of bag at top, attach silk in the 107th st. and make a ch. 2, d. c. in each of the following 29 sts., turn, ch. 2. Repeat 2nd row 18 times more, then dec. 1 st. at beginning of next 10 rows, last row has 20 d. c. at center of handle. Then repeat backward inc. as dec. was done for 1st 10 rows or until you have 30 d. c. in row. 19 more rows 30 d. c. About 10 $\frac{3}{4}$  in. in length. Break silk and sew to opposite side of bag after ring has been inserted. For 2nd handle count 30 sts. from left side of bag.

**Finish for Top of Bag and Edges of Handles**—\* 4 s. c., picot of ch. 4, \* repeat.

Use a bone or celluloid Ring which will slip over hand easily. String 1 bunch beads on silk.

**To Cover Ring**—Ch. 16 sts. turn. **1st row**—1 s. c. with B. in 1st st. from needle, 14 more s. c. with B. **2nd row**—S. c. without B. Repeat 1st and 2nd rows until of sufficient length when stretched to measure around ring; break

thread. Sew sides together tightly on inside of ring.

Another manner of covering is to make ch. which will fit around ring snugly (the ring on bag illustrated required 9 sts.). Join ch. in ring and into each st. work 1 s. c. with B., continue until  $\frac{3}{4}$  or 1 inch of ring remains uncovered, draw the 2 ends together, covering each st. of joining with B. (by stretching the covering it fits smoothly without any fullness on inside of ring).

**Ball Fringe**—String 1 bunch of B. on silk, ch. 2.

**1st row**—6 B. in 2nd st. of ch. **2nd row**—2 B. in each s. c. of 1st row. **3rd row**—\* 1 B., 2 B. in next st., \* (18 B.). **4th row**—1 B., 2 B. in next st., 2 B. in next 2 sts., 2 B. in next st., 1 B., 2 B. in next st., 2 B. in next 2 sts., 2 B. in next st., 1 B., 2 B. in next st., 2 B. in next 2 sts., 2 B. in next st., 1 B., 2 B. in next st., 1 B., 2 B. in next st., 1 B.
