

Crochet and Tatting Neckers & Collars

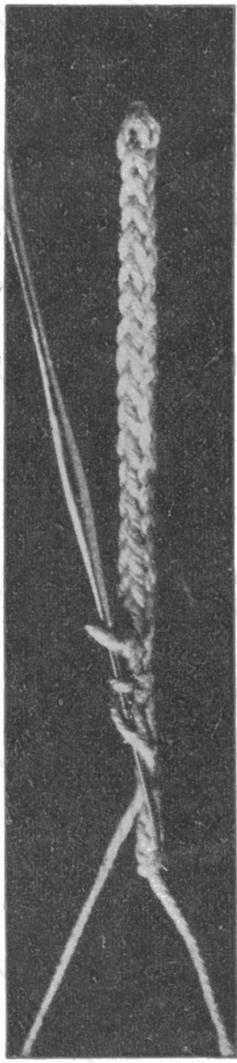

Series No. 8 ~ By Mary E. Fitch

Abbreviations and Foundation Stitches with Explanations

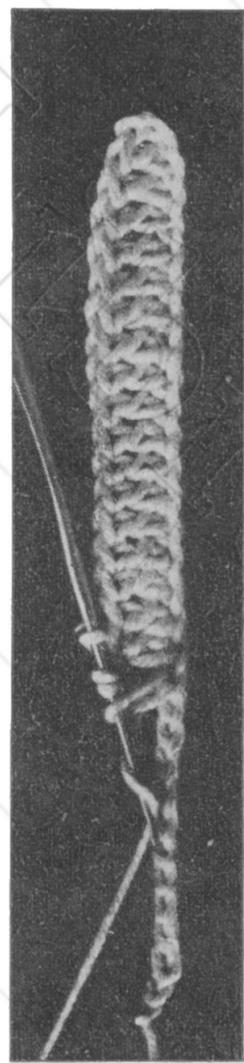

Chain (ch). The chain stitch is the beginning of all crochet work. Make a loop of thread and with the hook draw the thread through the loop, which forms a stitch.

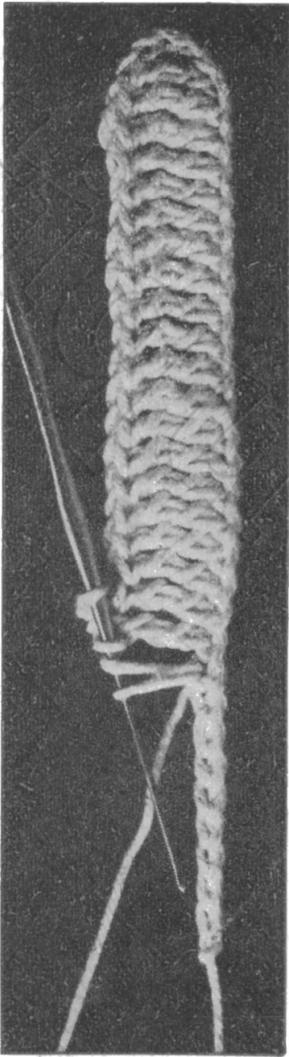

Slip stitch (sl st) is used to join rows together. After the foundation ch is made, insert the hook in stitch and draw thread through loop and stitch at same time.

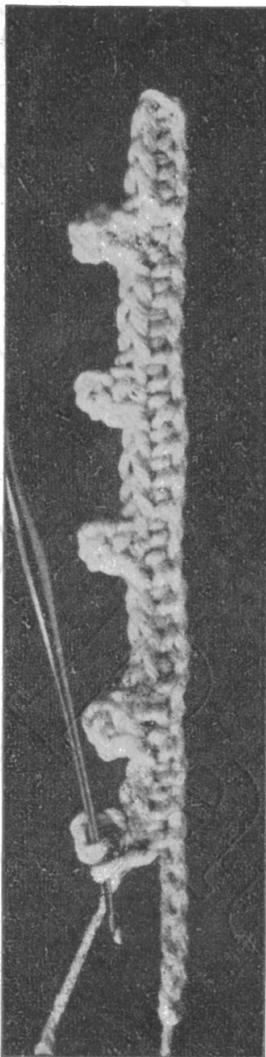

Single crochet (s). Draw a loop through a stitch of the foundation, thread over the hook, and draw through both loops on the hook at the same time.

Double crochet (d). Thread over hook, take up a loop through a stitch of the foundation; thread over hook again and draw through two loops, thread over hook again and draw through two remaining loops.

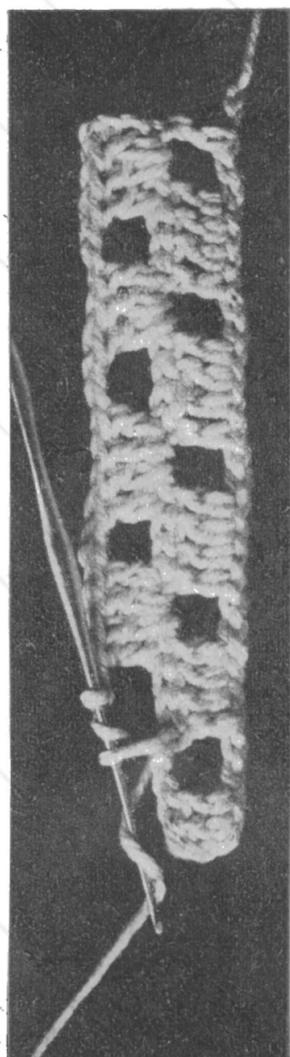

Treble crochet (t c). This stitch is made the same as double crochet, except that the thread is passed over the hook three times, drawing through two stitches each time, as before.

Picot (p). Make a chain of three or more stitches, pass hook through first chain made, and work a single crochet.

Space (sp) used in Filet Crochet. Chain 2 stitches, skip 2, 1 d in next stitch, ch 2, skip 2, 1 d in next, ch 5 at end to turn.

Group (gp). A group is composed of 4 d, 1 d over d, 2 d in sp, 1 d over d. If the row starts with a group or groups, make 3 ch to turn. If the row starts with space, make 5 ch to turn.
* Means that the directions between stars are to be repeated.

Woolco Quality Crochet and Embroidery Cottons

ALL designs shown in this book have been made with Woolco Cottons, and they are recommended as being best-suited for this kind of work.

We cannot emphasize too highly the quality of these cottons. It is a most important factor at present, and one which we ask all consumers to consider. Under existing conditions, where materials and costs of all kinds have increased, some makers are using a lower grade of cotton. We have not considered any such change, and shall continue to maintain the high quality of cottons which we have sold in the past.

Discriminating and appreciative users, who require a high grade of Embroidery Cottons, will realize the value of this statement. We do not allow the name "Woolco" to appear on any inferior merchandise.
