Manual of Crocheting

Series No. 5 by M.E. Fitch

Abbreviations and Foundation Stitches with Explanations

Chain (ch). The chain stitch is the beginning of all crochet work. Make a loop of thread and with the hook draw the thread through the loop, which forms a stitch.

Slip stitch (sl st) is used to join rows together. After the foundation ch is made, insert the hook in stitch and draw thread through loop and stitch, at same time.

Single crochet (s). Draw a loop through a stitch of the foundation, thread over the hook, and draw through both loops on the hook at the same time.

Double crochet (d). Thread over hook, take up a loop through a stitch of the foundation; thread over hook again and draw through two loops, thread over hook again and draw through two remaining loops.

Treble crochet (t c). This stitch is made the same as double crochet, except that the thread is passed over the hook three times, drawing through two stitches each time, as before.

Puff (p). Make a chain of three or more stitches, pass hook through first-chain made, and work a single crochet.

Space (sp) used in Filet Crochet. Chain 2 stitches, skip 2, 1 d in next stitch, ch 2, skip 2, 1 d in next, ch 5 at end to turn.

Group (gp). A group is composed of 4 d, 1 d over d, 2 d in sp, 1 d over d. If the row starts with a group or groups, make 3 ch to turn. If the row starts with space, make 5 ch to turn.

*Means that the directions between stars are to be repeated.

Knot-Stitch Bag

N. E. T. (Crochet Twist), White or Color

Cross-stitch embroidery is worked with 3 shades of pink and 1 of green. Have two bands $1\frac{1}{2}$ inches wide, join. Work cross-stitch design on same as shown in illustration, or any other decoration may be used. The knot stitch is made by drawing up the stitch on the hook about $\frac{1}{2}$ inch, pass the hook between the single thread and the loop and make 1 s. Draw up another $\frac{1}{2}$ -inch loop, fasten with 1 s as before, 1 s into the band, repeat around bag.

The second row of knot stitch is made by fastening the $\frac{1}{2}$ -inch loops with a s each side of s in row before.

There are 4 rows of knot stitch between bands.

Work 6 rows of knot stitch for the top, using the second and third rows for the cord to run through.

For the bottom make 3 rows, then divide the bag into 4 parts and each time reaching them draw 2 loops together at the same time to narrow, continue until the bag is narrowed to a point.

Make a tassel of material used.

Cord

Ch 5, join, make 5 s around ring, picking up outside loop; continue picking up outside loop until the desired length is made.
