Mrs. Coolidge's Great-Grandmother's Counterpane

Creative Commons 4.0 NC SA BY FREE DISTRIBUTION ONLY - NOT FOR SALE

Mrs. Grace Coolidge graciously gave us the privilege of presenting here the spread she calls her "Great-Grandmother's Counterpane," which is not only typical but is also a beautiful example of the knitted spreads of that period.

(Direction on page 16)

The use of these edgings and insertions should determine the thread and needles to be used. If for trimming linens, then, crochet cotton No. 30, and very fine steel needles should be used, but if for bedspreads, etc., then coarse knitting cotton, and steel needles No. 1 or No. 0 would be appropriate.

For this use coarse knitting cotton, and a pair of steel knitting needles, size 0. The work should measure about 7 sts and 10 rows to the inch, and the cloth will measure about 60 inches square when finished. The spread is made in three strips.

THE CENTER STRIP

Cast on 164 sts.

1st row: Purl this and every alternate row. **2nd row:** Sl 1, k 1, (o, k 3, k 3 tog, k 3, o, k 1) 16 times, k 2. **4th row:** Sl 1, k 2, (o, k 2, k 3 tog, k 2, o, k 3) 15 times, k 1. **6th row:** Sl 1, k 3, (o, k 1, k 3 tog, k 1, o, k 5) 16 times. **8th row:** Sl 1, k 4, (o, k 3 tog, o, k 7) 15 times, end with k 6. **10th row:** Sl 1, s and b, k 3, (o, k 1, o, k 3, k 3 tog, k 3) 15 times, o, k 1, o, k 3, s and b, k 2. **12th row:** Sl 1, s and b, k 2, (o, k 3, o, k 2, k 3 tog, k 2) 15 times, o, k 3, o, k 2, s and b, k 2. **14th row:** Sl 1, s and b, k 1, (o, k 5, o, k 1, k 3 tog, k 1) 15 times, o, k 5, o, k 1, s and b, k 2. **16th row:** Sl 1, s and b, (o, k 7, o, k 3 tog) 15 times, o, k 7, o, s and b, k 2. Repeat beginning at the 1st row, until there are 12 complete leaves.

Purl the next row.

****1st row:** K 1, (k 3 tog, o, k 1, o) 40 times, k 3. **2nd**

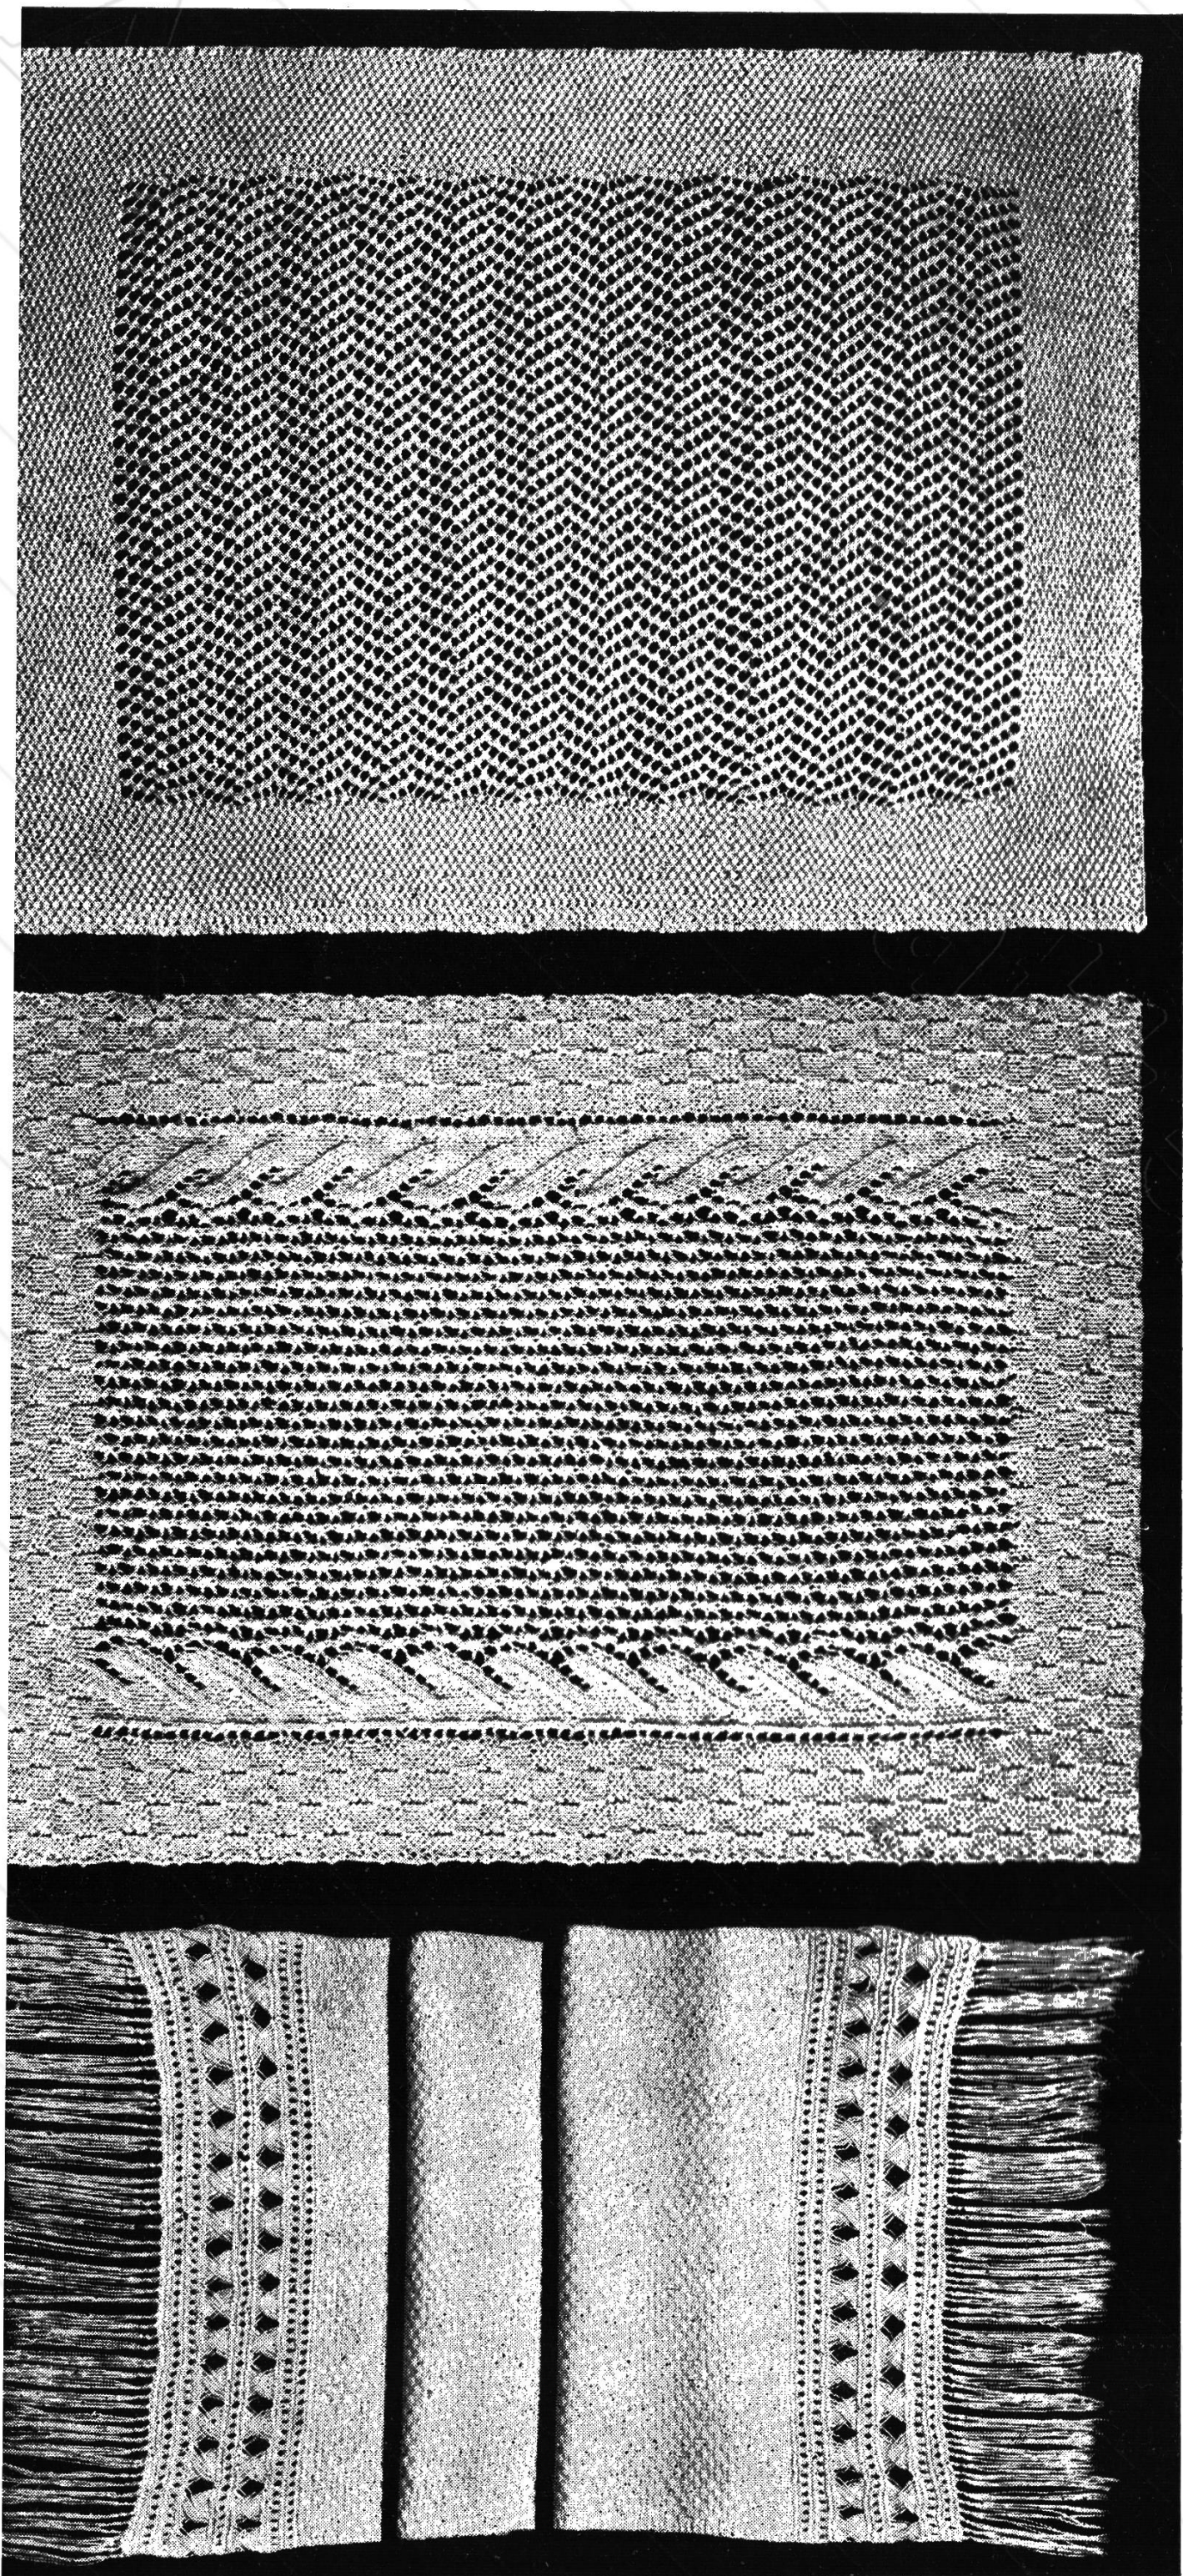

row: Purl this and every alternate row. **3rd row:** K 2, (o, k 3 tog, o, k 1) 40 times, k 2. **5th row:** K 3, (o, k 1, o, k 3 tog) 40 times, k 1. **7th row:** K 3, (o, k 3 tog, o, k 1) 40 times, k 1. **8th row:** Purl. Repeat from ****** for 39 times. Then, start with the 2nd row of the border and work these 16 rows until there are 12 complete leaves. Bind off.

THE SIDE STRIP

Cast on 104 sts.

Work the first 16 rows of the center panel, repeating the directions in the parentheses 10 times only, and repeating these rows, until there are 44 complete leaves. Make another strip like this, and sew on either side of the center panel, matching the rows. The piece should then be blocked by stretching to measure about 50 inches square, dampening and allowing to dry.

Fringe: Cut lengths of cotton 18 inches long. Take 2 of these, fold in the center, and slip the loop through a stitch, then draw the ends through this loop, tightly. Repeat in every other knitting stitch around. On the next row, take 2 ends of one group and 2 ends of the next group, and tie in a knot about $\frac{1}{2}$ inch from the first loop.

THE DOILY (About 12x16")

For this use either white, ecru, or colored knitting cotton and a pair of steel knitting needles, No. 14. The amount of material required will depend on the number of doilies made.

Cast on 105 sts.

1st row: K 1, p 1 all across, ending with k 1, turn. Work this row for 2 inches. **2nd row:** (K 1, p 1) for 19 sts, (o, n) 34 times, (p 1, k 1) for 18 sts. **3rd row:** (K 1, p 1) for 19 sts. P across, (k 1, p 1), for 19 sts. Work these 2 rows 4 times each, then change to make the zig-zag effect. **10th row:** (K 1, p 1) for 18 sts, (n, o) 34 times, (k, p 1) for 19 sts. **11th row:** (K 1, p 1) for 19 sts. P across, (k 1, p 1) for 19 sts. Work 10th and 11th rows for 4 times each, then change, and work 2nd and 3rd rows for 4 times each. Continue for 14 inches, or until mat is desired length. Work 2 inches for border and bind off.

RUNNER (About 16x27")

Cast on 141 sts.

Make a 2-inch border, as for doily. Then **2nd row:** (K 1, p 1) for 19 sts, (o, n) 52 times, (p 1, k 1) for 18 sts. **3rd row:** (K 1, p 1) for 19 sts, p across, (k 1, p 1) for 19 sts. Repeat as for doily. **10th row:** (K 1, p 1) for 18 sts, (n, o) 52 times, (k 1, p 1) for 19 sts. **11th row:** (K 1, p 1) for 19 sts, p across, (k 1, p 1) for 19 sts. Repeat as for doily. TO LAUNDRER KNITTED DOILIES

Knitted doilies are easily laundered, as they should first be washed in mild suds, and thoroughly rinsed. If desired, they may be rinsed in a very weak starch solution, and to dry them, they should be tacked (with thumb tacks) to a board in the desired size and shape and allowed to dry. Of course the tacks used should be rustless.

A Knitted Strip in a Vine Design

If one wishes a knitted spread with less work than the average all-over design, a combination of linen strips and knitted strips is very effective. Use knitting cotton in either ecru or white, and two needles size 0.

Cast on 148 sts.

Or, if desired, the linen strips may be made wider. Made in either way, crochet around the edge as follows: Fasten thread at one corner, ch 5, 1 tr placed 1-4 inch from start, * ch 2, 1 tr 1-4 inch from last tr. Repeat from * around. Then, make fringe as directed for spread on page 12.

ANTIQUE SPREADS

There are many fortunate possessors of old knitted spreads and these are cherished, as they should be, with other irreplaceable heirlooms. However, we too may have the pleasure of making one of these for our children's children, and needless to say only the best quality material should be used, both because of the lovely finished piece, and also for longer durability.

This unusual spread of a cable design with occasional strips of a leaf motif is a copy of a very old one. It is interesting to make as it is made in strips, the length required and then these are sewed together.

Fringe is the softest finish for any knitted spread and especially this one. The two rows of knots are effective, but to make a handsomer spread another row may be tied if desired.

A Simple Spread of Small Blocks

A simple design, interesting to make, and easy for the beginner in knitting is this old pattern, made of quarter blocks, and then sewed together. Use coarse knitting cotton, and two steel needles size 0.

A Spread in a Modern Design

This modern piece was developed from a similar pattern found in an old chest and it has been arranged in strips of an open pattern, alternating with a lovely solid design that gives a most unusual effect and is lovely on the bed as a finished counterpane. The handsome fringe which gives a heaviness to the edge is also most appropriately used and being tied three times gives a real weight to this type of work, and thus holds down the solid strips. The worker will also find this design just as well planned for a single as well as for a double bed, and as adaptable for use with modern as with antique furniture. It will add a real charm to any room.

This combination of the cable and the new effect in the lace strip has a modern air that is very unusual. For another modern touch, use coarse knitting cotton in any of the attractive pastel tones that are so lovely, and two steel knitting needles size 14.

A Colonial Knitted Spread

Who would not like to make an heirloom that many years from now would be as well preserved as the spread shown above? Knitting seems to have been a favorite form of needlework in the 18th and 19th centuries if we can judge from the lovely example still in existence, and so it is a worthy type of needlework to hand down to future generations.

When we stop to think that with the little expenditure necessary for the thread, and the use of our spare moments, we, too, can make a spread that will give our children pleasure in the years to come, we should have no hesitation in starting one. However, many of these old pieces were made in a practical form, as is shown by the counterpane above. This pattern is made so that the spread may be reversed either side being the right side. For this reason, care should be taken in sewing the seams and joining the thread to make these as invisible as possible.

This spread is very practical, as it is simple and easy to make, is made in strips that are easily carried around, and the design itself is reversible, if care is taken in sewing the

strips, and border together. Use knitting cotton, in white, ecru, or a pastel tone, and two steel knitting needles size 14. Cast on 48 sts.

1st through the 10th rows: K, always slipping the first st.
11th row: Sl 1, n 4 times, * (o, k 1) 7 times, o, n 8 times, repeat from * to end of row, ending with n 4 times, k 1.
12th row: P. **13th row:** K, repeat the 12th and 13th rows once. **16th row:** Start to repeat with the 11th row, and make the strips the length desired. Sew together, and on either side sew an edge made as follows:

EDGE

Cast on 13 sts, k across.

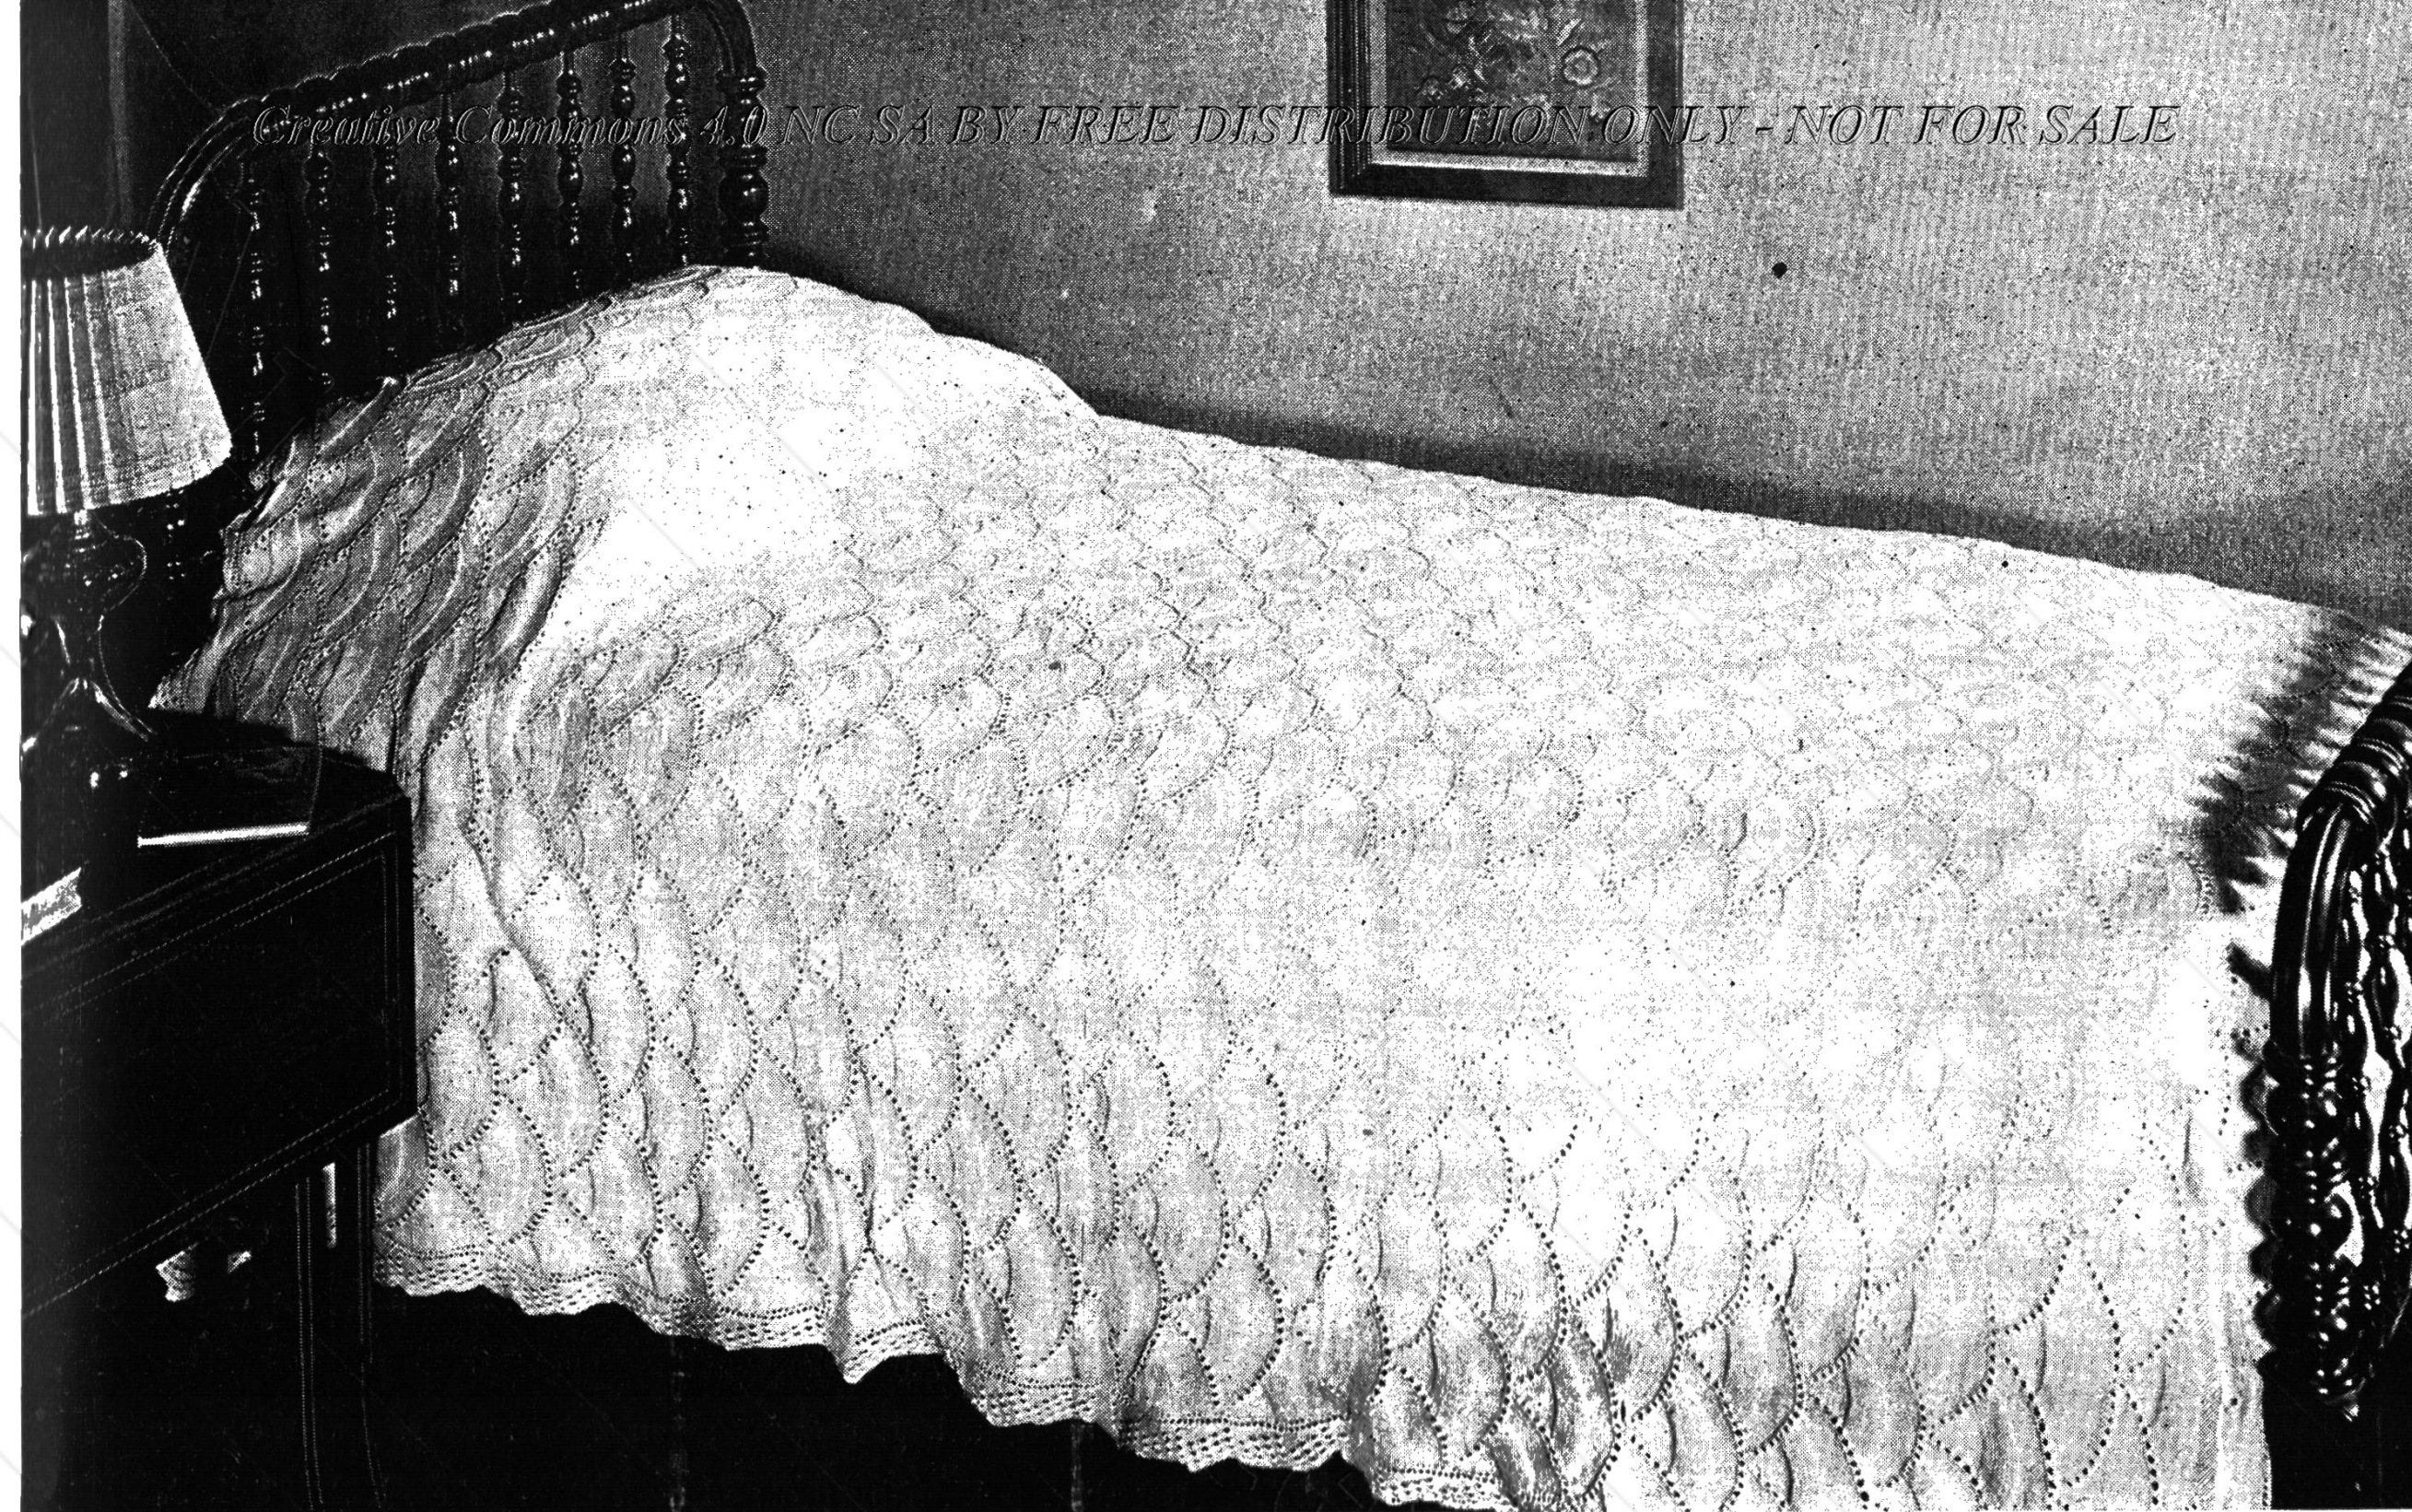

1st row: K 4, (o, n) 4 times, o, k 1. **2nd row:** K all even rows. **3rd row:** K 5, (o, n) 4 times, o, k 1. **5th row:** K 6, (o, n) 4 times, o, k 1. **7th row:** K 7, (o, n) 4 times, o, k 1. **9th row:** K 8, (o, n) 4 times, o, k 1. **11th row:** K 9, (o, n) 4 times, o, k 1. **13th row:** K 10, (o, n) 4 times, o, k 1. **15th row:** K 11, (o, n) 4 times, o, k 1. **17th row:** K 12, (o, n) 4 times, o, k 1. **18th and 19th rows:** K. **20th row:** Bind off 9 sts, k 12. Repeat from 1st row for desired length.

Because it is an old design, nothing would be lovelier to use for making this, than ecru knitting cotton, and with this, use steel needles No. 14.

1st row: Cast on 1 st. **2nd row:** O, k 1, turn. **3rd row:** O, k 2, turn. **4th row:** O, k 3. **5th row:** O, k 4. **6th row:** O, k 5. **7th row:** O, k 6. **8th row:** O, k 7. **9th row:** O, k 8. As will be seen, this spread is made in strips, and these are then sewed together on the wrong side. For it, use coarse knitting cotton and a pair of steel knitting needles, No. 14. Make the center strip first, by casting on 58 sts, following the directions for the cable and lace strip. The strip should be made as long as required, which is about 3 yards.

Then, knit two strips of the leaf insertion, and sew on either side of the center strip. Next, knit two strips by casting on 84 sts (for each), omitting the cable design along both edges, this being done by skipping the directions for the first and last sts on each row. Sew these in place.

Now make two strips by casting on 94 sts, omitting the cable along one edge on one strip by skipping the directions for the first 10 sts on the odd rows, and the directions for the last 10 sts on the even rows. On the other strip of this width, skip the directions for the last 10 sts on the odd rows, and the first ten sts on the even rows. Sew these along either side of the center section so that the cable and lace strips alternate.

Then knit two strips to go on the outside of the spread by casting on 104 sts for each, and following the directions. Because knitting cotton comes in different weights, the widths of the strips will vary, so in order to have the spread the correct width for the bed, it may be necessary to make more than one strip, that carries 94 sts, for each side of the spread.

After the strips are sewed together, crochet a heading for the fringe by fastening the thread in one corner, ch 6, * 1 tr (thread over once) 1-4 inch away, ch 3, repeat from *

around. Across the top or head of the spread, make 1 s st in each tr and 3 s st in each space around.

Fringe: Cut the cotton in 15-inch lengths, loop 5 strands in each space around the two sides and bottom of the spread. Then take half of one group and half of the next group, and tie a knot 1-3 inch from the first row of loops.

When finished, press the spread under a damp cloth.

LEAF INSERTION

Cast 19 sts.

Repeat this row for all odd rows. **2nd row:** Sl 1, o, n, o, k 1, o, s and b, p 1, n 2, o, k 2, p 1, k 2, o, k 1, o, n. **4th row:** Sl 1, o, n, o, k 3, o, sl 1, n, sl st o, k 1, o, k 1, s and b, p 1, n, k 1, o, k 1, o, n. **6th row:** Sl 1, o, n, o, k 2, p 1, k 2, o, s and b, o, k 1, s and b, p 1, n, k 1, o, k 1, o, n. **8th row:** Sl 1, o, n, o, k 1, s and b, p 1, n, k 1, o, n, s and b, p 1, n, o, k 1, o, k 1, o, n. **10th row:** Sl 1, o, n, o, k 1, s and b, p 1, n, k 1, sl 1, n, sl st o, k 1, o, k 3, o, k 1, o, n. Repeat from 1st row

From the old spreads still in existence, we find that apparently the favorite form in which these counterpanes were knitted was in strips going the length of the bed, and it will readily be seen that this was a convenient form in which to make them. Beside the advantage of not having to start the work as often as is necessary if blocks are used, it is sometimes easy to memorize the pattern, because of the many times it is repeated.

A different design for a spread is this combination of rows of open diamonds, and cables, and to effectively work this out, use coarse knitting cotton and a pair of No. 0 steel needles. The spread may be entirely made of knitted strips sewed together, or they may be combined with strips of linen, as the worker wishes.

Cast on 69 sts, working cross-wise of strip.

Sew the strips together and finish with fringe as directed for spread on page 12.

The worker will find many uses for these edgings and insertions, either together or singly. If a knitted edge is desired for a spread, use the same thread and same needles as those for the counterpane, knit the length required to go on the three sides and lower end of the spread, mitering the corners. Or a knitted edging and insertion for the ends of a linen luncheon set would be effective for use in a Colonial room. Or, these insertions and edgings may be made for bed linens out of finer thread and needles, this latter making a dainty finish.

It is surprising how quickly a knitted edging with its matching insertion can be made, for in the majority of cases, they are narrow and yet have a distinctive pattern reminiscent of Colonial days; for in many cases, they are adapted from old designs our grandmothers made. With a little practice our fingers should become as nimble as theirs. Then, too, we have the added incentive of beautifully spun and dyed threads, which will make the actual work easier and the trimming much more exquisite and lasting than that made from the home-spun threads of olden times.

A KNITTED TOWEL

For baby's bath time a knitted towel is useful and practical as well as being a lovely gift and very durable. This one is made of the coarse crochet cotton used so much now, and either white, cream, or a pastel tone may be used. The number of balls needed will depend on the size of the balls, and also on the length desired for the finished towel. The towel as shown measures about 12x30". There is also needed one pair of No. 1 steel knitting needles, and a large wooden knitting needle about 1-2 inch in diameter. If this

last is not available, a round piece of wood may be used which measures about this same size, but it should be smoothed off, although it is not necessary that the end be pointed.

Cast on 104 stitches.

Knit three rows plain, always slipping the first stitch of every row.

4th row: Slip 1, k 1, * o, k 2 together. Repeat across from *. **5th, 6th, 7th and 8th rows:** K plain. **9th row:** Repeat 4th row. **10th, 11th, 12th, and 13th rows:** K plain. **14th row:** Use the large wooden needle and knit across plain. It will probably be necessary to knit with the small needle, and then draw the stitch through large enough to place on the wooden needle. **15th row:** Use the small needle. Slip the first 4 stitches on the small needle. Then take a crochet hook, place or run this through these four stitches. Take the next 4 stitches from the big needle on the crochet hook, and draw through the four stitches on the small needle. Next, put the first four stitches (which are on the small needle) on the wooden needle, and then put on this large needle the 4 stitches which were drawn through with the crochet hook. Knit these 8 stitches off, with the small needle, and taking care to knit them in the correct order, so that the long loops will not be twisted. Repeat for the second group of 8 stitches, knitting off as before, and continue across. **16th, 17th, and 18th rows:** K plain. **19th row:** Repeat 4th row. **20th, 21st, 22nd, and 23rd rows:** K plain. **24th row:** Repeat 14th row. **25th row:** Repeat the 15th row. **26th, 27th, and 28th rows:** K plain. **29th row:** Repeat 4th row. **31st, 32nd, and 33rd rows:** K plain. **34th row:** Repeat 4th row. **35th, 36th, 37th, and 38th rows:** K plain. **39th, 40th, and 41st rows:** K 2 and p 2 across. **42nd and 43rd rows:** P 2, k 2, across.

The new idea of two-toning is carried out very exquisitely and unusually in this knitted spread, which has the rose design made of the dark tone, the ground of the light, this being further enhanced with the dark borders. Two tones of peach, rose, blue, orchid, yellow, or cream and tan are suggested combinations. A set of 5 steel knitting needles No. 14 are also necessary.

With dark thread start the rose.

On one needle cast on 6 sts and make one petal as follows:
1st row: Sl 1, p 5. **2nd row:** Sl 1, k 5. **3rd row:** Sl 1, p 5. **4th row:** Sl 1, k 5. **5th row:** Sl 1, p 5. **6th row:** Sl 1, k 5. **7th row:** Sl 1, p 5. **8th row:** Sl 1, k 5. **9th row:** Sl 1, p 5. **10th row:** Sl 1, k 5. **11th row:** Sl 1, p 5. **12th row:** Sl 1, k 5. This forms the length of the 1st petal.

*Then, with a 3rd needle pick up the 1st 5 selvedge sts (on the left-hand of petal), and work on these sts as follows: The 1st row is k and in this row, k 1, p 1 in the 1st st to make 6 sts as in 1st petal—2nd row p, as directed above for 1st row. Continue these directions through the 12th row. Repeat from * 6 times, making 8 petals and using the 3 needles. Join the selvedge sts of the left-hand side of the 8th petal to the 6 cast-on sts and fasten thread.

Then, pick up the 6 selvedge sts on the right-hand side of petal on a separate needle and work 13 rows, (1st k, 2nd p). In every k row k the 6th st of the petal being made with the next st of the next petal to give the raised effect. When the 8 petals are completed take all these sts, picking up the 6 selvedge sts on the side of each petal and put all on to 4 needles, dividing them so as to have 1 half petal, 1 whole petal, 1 half petal (with the picked-up sts between) on each needle.

K 1 row, decreasing the 6 selvedge sts to 4 (k 1, n, k 1, n) making 20 sts on each needle.

Then j light thread and k all around.

1st row: * K 1, o, k 1, o, k 16, o, k 1, o, k 1, repeat from * on the other 3 needles. **2nd row:** K 24, repeat on other 3 needles. The directions for each row are for 1 needle only, so repeat. **3rd row:** S and b, o, k 1, o, k 8, o, n, o, k 8, o, k 1, o, n. **4th row:** K 27. **5th row:** S and b, o, k 1, o, k 7, n, o, k 3, o, s and b, k 7, o, k 1, o, n. **6th row:** K 29. **7th row:** S and b, o, k 1, o, k 7, n, o, k 5, o, s and b, k 7, o, k 1, o, n. **8th row:** K 31. **9th row:** S and b, o, k 1, o, k 7, n, o, k 7, o, s and b, k 7, o, k 1, o, n. **10th row:** K 33. **11th row:** S and b, o, k 1, o, k 8, s and b, o, k 7, o, n, k 8, o, k 1, o, n. **12th row:** K 35. **13th row:** S and b, o, k 1, o, k 11, o, s and b, k 3, n, o, k 11, o, k 1, o, n. **14th row:** K 37. **15th row:** S and b, o, k 1, o, k 13, o, s and b, k 1, n, o, k 13, o, k 1, o, n. **16th row:** K 39. **17th row:** S and b, o, k 1, o, k 15, o, sl 1, n, take the slipped st over the narrowed st, o, k 15, o, k 1, o, n. **18th row:** K 41. **19th row:** S and b, o, k 1, o, k 35, o, k 1, o, n. **20th row:** K 43. **21st row:** S and b, o, k 1, o, k 37, o, k 1, o, n. **22nd row:** K 45. **23rd row:** S and b, o, k 1, o, k 39, o, k 1, o, n. **24th row:** K 47. **25th row:** S and b, o, k 1, o, k 41, o, k 1, o, n. **26th row:** K 49. **27th row:** S and b, o, k 1, o, k 43, o, k 1, o, n. **28th row:** K 51. **29th row:** S and b, o, k 1, o, k 45, o, k 1, o, n. **30th row:** K 53. **31st row:** Join dark thread, s and b, o, k 1, o, k 47, o, k 1, o, n. **32nd row:** K 3, p 49, k 3. **33rd row:** S and b, o, k 1, o2, p 49, o, k 1, o, n. **34th row:** K 3, p 51, k 3. **35th row:** Light thread, s and b, o, k 1, o, k 51, o, k 1, o, n. **36th row:** K 59. **37th row:** S and b, o, k 1, o, k 2, o, (s and b, n, o, k 1, o) 9 times, s and b, n, o, k 2, o, k 1, o, n. **38th row:** K 61. **39th row:** S and b, o, k 1, o, n, (o, k 1, o, s and b, n) 10 times, o, k 1, o, n, o, k 1, o, n. **40th row:** K 63. **41st row:** S and b, o, k 1, o, k 1, n, (o, k 1, o, s and b, n) 10 times, o, k 1, o, n, k 1, o, k 1, o, n. **42nd row:** K 65. **43rd row:** S and b, o, k 1, o, s and b, n, (o, k 1, o, s and b, n) 11 times, o, k 1, o, n. **44th row:** K 65. Bind off and sew squares carefully together, making a spider web in center of rose and a larger one where the corners meet.

This is made by dividing the small opening into 6 sections by running the thread across 3 times (8 sections for the large

opening) and then filling up a small sp in center by running the thread under and over the spokes and continuing around until the desired size is reached.

Fringe: Cut thread in 20-inch lengths. Lay 4 of these doubled, with a crochet hook draw through edge of square, draw ends through loop and pull tightly. Repeat in every 3rd st, then make 2 rows of knots by taking 2 groups at a time. Divide in half, making 4 groups of 4 threads each,

the 2 middle groups have the knot tied over them as follows: Hold the 2 middle groups firmly, pass 1st group under **them** and over 4th group, and the 4th group over **them** and down through the loop formed between 1st group and center group, draw up near edge and finish the knot by passing the 4th group under **them** and over the 1st group, and the 1st group over **them** and down through the loop formed by the 4th group, draw up firmly and repeat on the 2nd row of knots, alternating the groups.

(As illustrated on front cover)

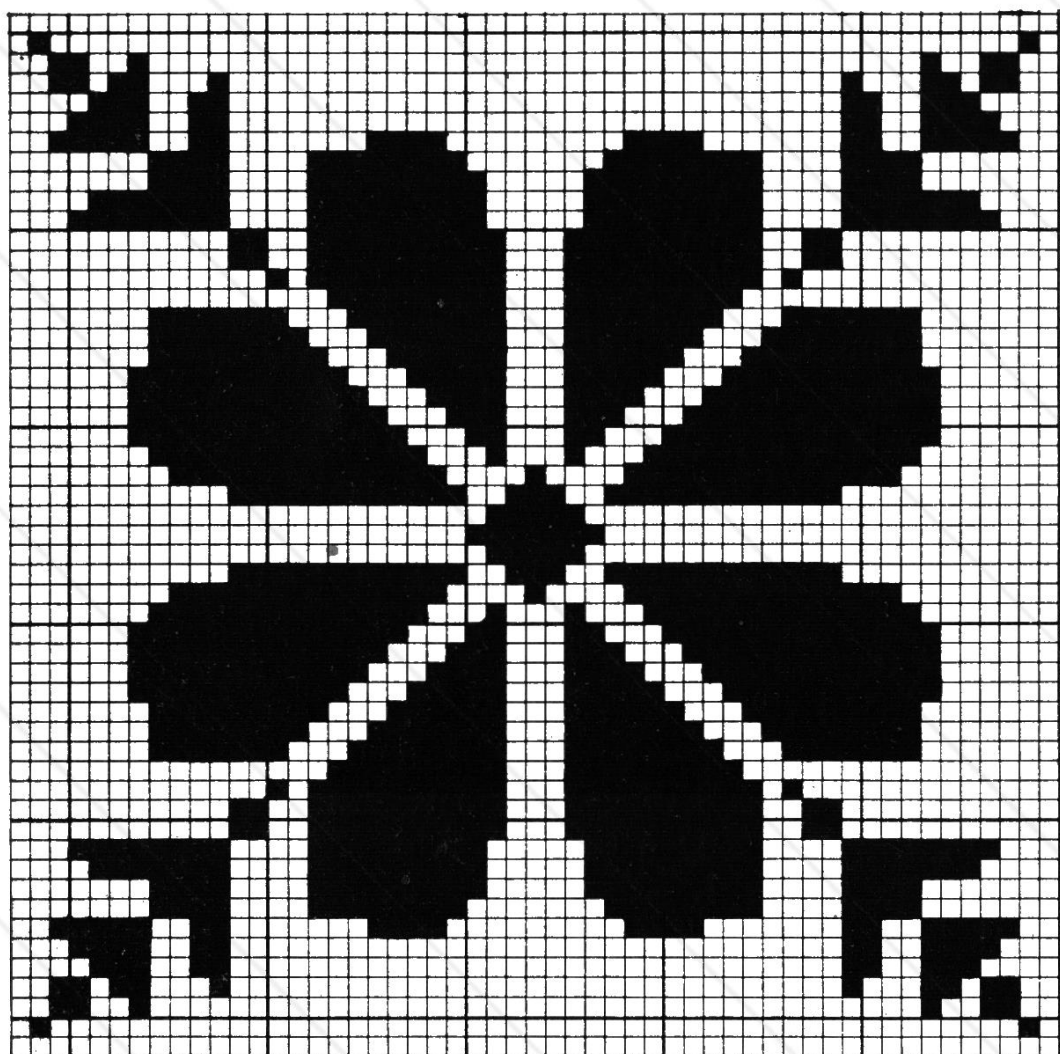

THE KNITTED AFGHAN

For this afghan, use four-fold Germantown wool and medium size bone knitting needles. The work of this should measure about 6 stitches and 6 meshes to the inch. For an afghan about 45x73 inches, there should be 5 blocks in width and 7 in length.

This afghan may be made of two tones of any one color or any two colors, as desired. The decorated blocks are knitted with the two colors of wool, and to do this k 1, row and p 1 row. One mesh on the working diagram stands for one stitch, and if the mesh is black on the pattern, that stitch is to be made of the lighter tone of 2 colors, or the lighter color, and if white the stitch is to be made of the darker tone. In changing colors, it is necessary to always throw the next thread to be used over the thread that is just dropped to prevent a hole. Where there are more than 3 sts of one color in succession, throw the unused thread over the thread that is being used, to prevent large loops on the wrong side. Also, care must be taken not to draw tightly the thread that is carried along on the wrong side, as this will pucker the work.

To make the decorated block: Cast on 53 sts, and k one row. Purl the next row and start the design on this. Follow the diagram as directed above, k 1 row and p 1 row. After the design is finished, k 1 row and bind off. As the work is done with Germantown, 18 blocks with the pattern are needed.

For the plain block, cast on 53 sts, k 1 row and p 1 row, for 53 rows and bind off.* Seventeen plain blocks are needed.

WORKING DIAGRAM FOR BOTH AFGHANS

After the work is finished, sew the blocks together, with the darker thread, and across either end with the darker thread proceed as follows: Fasten the thread at one corner, * ch 2, sk 2 sts of knitting, 1 s st in next st, repeat across from *.

Fringe: Cut wool in both tones, in 16-inch lengths. Take * 5 lengths of the dark tone, double in the center, loop a group in the corner mesh. Repeat in the light tone in the 3rd mesh. Repeat from * across the decorated blocks while across the plain blocks, use only the color to match. Pull the ends through the loop, drawing tightly. *Next take half of one group and half of the next group, and tie in a knot a half inch from the first knot. Repeat across, and then repeat from *. Trim evenly.

THE CROCHETED AFGHAN

Equally effective is this same design crocheted, and this is done by using afghan stitch. This, too, is made in two tones of a color or a color and white, and for it, use four-fold Germantown wool and a medium size bone afghan hook. The work should measure about 5 stitches and 5 afghan rows to an inch. Thus each block will be about 10 inches square, and for an afghan measuring about 50x80 inches, it will require about 5 blocks for the width and 7 for the length.

With the color or dark tone, ch 54.

1st row: Draw up a loop through horizontal bar in the back of 2nd and remaining sts, keeping the loops on the hook. There will be the same number of loops on the hook as the number of sts on the ch. **2nd row:** Yarn over and draw through end loop, * over and through next 2 loops together, repeat from * to the end of the row. **3rd row:** The loop that remains on the hook is the first st of this row. Pick up a loop through the 2nd and remaining vertical bars, retaining the loops on the hook. Work back as directed for 2nd row. Repeat the 2nd and 3rd rows. These two rows make one afghan row. Thus, for one block on the pattern, crochet one stitch on the hook, but work the 2nd and 3rd rows.

To crochet the color on the 2nd and succeeding rows: Make 1 afghan st, j the white, or light tone, and make 1 afghan st of light, 49 sts of dark; 1 of light, and 1 of dark. In changing color, twist the old color around the new color to prevent long threads on the wrong side, and drop the new color at the end of the 1st colored side of work by twisting around the dark thread.

Repeat for the remainder of the block. For the plain blocks, ch 54 with the dark tone, and work 53 afghan rows.

After the work is finished, follow the directions for the knitted afghan for sewing the blocks together, for crocheting across the ends, and for the fringe.

LOVELY KNITTED DOILIES

(Continued from page 14)

B, K 5, o, s and b, k 3, n, o, k 83, o, s and b, k 3, n, o, k 5, B. **57th row:** B, K 6, o, s and b, k 1, n, o, k 85, o, s and b, k 1, n, o, k 6, B. **59th row:** B, K 7, o, sl 1, n, sl st o, o, k 87, o, sl 1, n, sl st o, o, k 7, B.

Now work from 1st through 15th rows, making diamonds all across.

Work moss stitch for 18 rows. Bind off and finish with 1 row of single crochet, then 1 row making picots every inch.

Knitting Stitches and How to Make Them

Casting on is the formation of the first row of stitches and is the foundation of the work. There are two methods by which this may be done, as follows:

To Cast on Stitches (st): Illustration No. 1. Make a slip knot about 30 inches from the end of thread, slip needle (held in right hand) into loop, with the short end of thread make a loop on left thumb, insert needle into the loop, from left to right, place the main length of thread over needle and pull through loop, then tighten the short end of thread.

The second method is shown in illustration No. 4. At one end of the thread make a slip knot and place this knot on one needle. Hold this needle in the left hand and with the right hand hold the empty needle. Put the point of the empty needle through the stitch on the other needle, * throw the thread around the point of the inserted needle and draw this thread through the stitch. Then place this loop around the end of the needle in the left hand. Again insert the empty needle through the last stitch on the left needle and repeat from * for as many sts as are required.

To Knit (k): Illustration No. 2. Hold the needle with the stitches in the left hand and the empty needle in the right hand, and grasp the thread between the first and second fingers of the right hand. * Insert the empty needle under the loop of the first stitch on the left needle, going from left to right. After the needle is through the loop, wind the thread once around the end of the needle, bringing it toward the body or from right to left. Draw this thread through the stitch on the left needle and then take this left needle stitch off the end and retain on the right needle the last loop made. Repeat from * until all the stitches on the left needle have been knitted on the right needle. Then change the right needle to the left hand where it becomes the left needle.

To Purl (p): Illustration No. 3. With the needles in the same position as for knitting, pass the thread in front of the right needle. Insert this right needle in the first stitch on the left needle, from right to left. Pass the thread over the point of the right needle from right to left and draw this thread through the stitch. The stitch on the left needle is taken off and the one on the right needle retained as directed above for knitting. Repeat this for as many times as directed. Always pass the thread to the front of the needle before purling a st and pass thread back of the needle before knitting a st. If the directions call for an O before a p st, wrap the thread around the needle twice in order to widen as needed, unless this is specified in the directions.

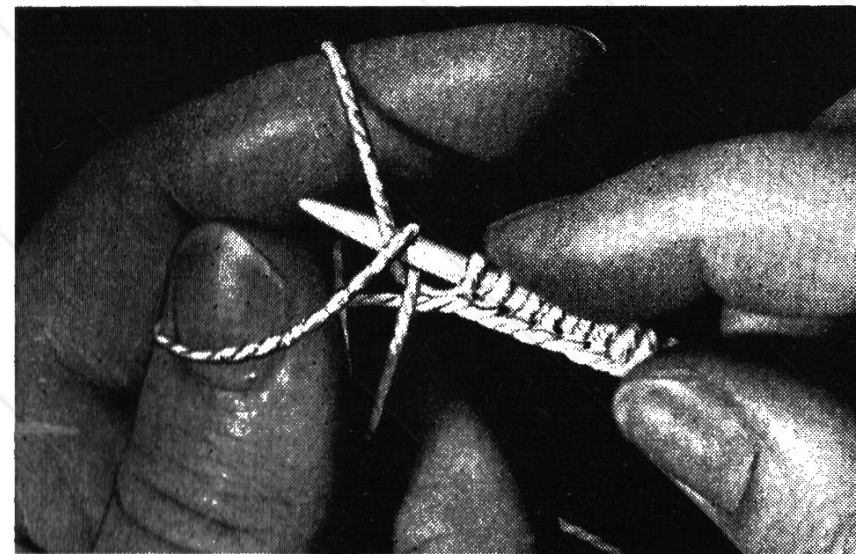

Over (o): When this occurs in the directions, wind the thread once around the right needle, before knitting the next st. This will make a small hole in the knitting and will also add a stitch. Or a stitch may be added by k one st but do not slip off the needle, k into back of same st, then slip st off needle as usual. Illustration No. 5.

Narrow (n): Knit two sts together, putting the right needle through two sts on the left needle at the same time, as in illustration No. 6.

Slip and Bind (s and b): Another way of narrowing. Take one stitch on the right needle from the left needle without either knitting or purling. Knit the next stitch on the left needle. Then slip the stitch that has not been knitted over the stitch that has been knitted.

Bind Off: Illustration No. 7. Knit 2 sts, * pass the first st over the second, k another st, again having 2 sts on needle, repeat from * until one st remains. Break thread and draw through remaining loop.
